2016 AP® CHINESE LANGUAGE AND CULTURE FREE-RESPONSE QUESTIONS

Overview

Key screen images from the free-response section of the AP Chinese Language and Culture Exam are included in this document. The actual exam includes other screens, such as message boxes and help screens, which students may view while taking the exam. On screens where the “Show Time” button appears, students have the option to display the time remaining to complete the task. The exam screens are dynamic, with changing information (e.g., audio progress bar, count-down clock), while the screen images that follow are static, representing a particular moment during the exam.

Wherever Chinese text appears as reading material on the exam screen, it can be displayed in two versions: simplified characters and traditional characters. Therefore, this document includes both versions, which are labeled accordingly. This document also includes scripts for recorded material that students heard during the exam. When applicable, both simplified- and traditional-character versions of the recording scripts are included here as well. However, recording scripts are not provided for directions screens, where the audio portion matches verbatim the text appearing on the screen.

Writing Part Directions

You will be asked to perform two writing tasks in Chinese. In each case, you will be asked to write for a specific purpose and to a specific person. You should write in as complete and as culturally appropriate a manner as possible, taking into account the purpose and the person described.

Wherever Chinese text appears for you to read, it can be displayed in either traditional or simplified characters. You can change the display by clicking on **Switch to Simplified** or **Switch to Traditional**.

You can choose between two input methods for typing Chinese text: you may use the Microsoft *Pinyin* IME (*MSPY*), which is based on Hanyu Pinyin, or the Microsoft *New Phonetic* IME, which is based on Zhuyin Fuhao (Bopomofo). You can choose your desired input method by selecting **Pinyin** or **Bopomofo** from the drop-down list.

A clock at the top of the screen will show you how much time is remaining to write your response.

When the response time has ended, you will automatically go on to the next question. You cannot return to previous questions.

You will now begin this part.
